FULL GOODS
BREEZEWAY

Located on the first floor of the Full Goods Building, the Full Goods Breezeway is a large, covered space with a natural environment that inspires connection.

Perfect for social gatherings, culinary showcases, and more, the space can be combined with 1100 Springs Plaza and is great for public and private events.

1100 SPRINGS PLAZA

Located outside of the Full Goods Building, 1100 Springs Plaza pays homage to Pearl and San Antonio's history and connection to water. This location is a semi-shaded area surrounded by native Texas plants and a two-level water feature at the center.

The space can be combined with the Full Goods Breezeway and is great for public and private events.

PEARL AMPHITHEATER

Nestled on the San Antonio River Walk, the Pearl Amphitheater is a lively and beautiful backdrop for public events and all things performing arts such as concerts, theater and movie nights.

This outdoor setting has seven tiers facing a stage platform on the river and is adjacent to our former 19th-century brewhouse – Hotel Emma.

PEARL PARK

Located at the heart of Pearl, Pearl Park is our most popular open space. The large artificial turf framed by the iconic Pearl sign makes this a great location for public events and activations.

The adjacent Cellars Pavilion space can also be used as a private area to support logistics, VIP's, or entertainment.

KARNES ST
AT PULLMAN MARKET

South Karnes St. is an urban corridor that blends character with functionality. Enhanced by vertical greenery and warm string lighting for evening gatherings, it's ideal for both public and private events.

Located next to the invigorating Pullman Market, South Karnes St. has a built-in sense of place, is inviting, and is a blank slate for turning vision into reality.
